

Elevate MAX[®]+

Energy Caps

Energy Caps provides Mood Enhancing, Appetite Controlling, Xtreme Energy PLUS No Crash!

Energy Caps, a capsule designed with the same powerful mood-enhancing ingredients you've come to know and love with Elevate MAX Mood Enhancing / Appetite Suppression / Xtreme Energy – PLUS some extra “magic.” What’s the magic? The new MAX+ Blend: a total of 16 synergistic ingredients including enXtra[®], a clinically-studied, patent-pending extract for improving alertness and focus* made from a proprietary extract of the Alpinia galanga plant. And, it lasts LONGER than any product we’ve ever made, with no crash* – this is Magic in a Capsule!

This magic ingredient targets a cognitive process known as “Attention Network Function”, which is the ability of the brain to allocate processing resources to a specific task. The spark from enXtra provides improved focus, alertness and attention*. This natural substance lasts for hours with an amazing value.
