

Unlock your summer potential.

Nootropic Punch™

Nootropic benefits in a refreshingly delicious beverage.

Nootropic Punch is a refreshing fruit punch, designed to give you the ultimate mental focus and energy you need to be productive.†

These nootropics may help boost your brain's "feel good" hormones, improve cognition, and suppress hunger and cravings. Plus electrolytes to enhance exercise performance.

The health benefits are vast. Antioxidants to neutralize free radicals and an amino acid blend that has been shown to increase alertness, learning and memory, while reducing stress, but without causing drowsiness.*

You'll love the delicious flavor, no added sugar and a mineral blend that may improve blood sugar management.*

Say good-bye to sugary soda and medicinal energy drinks. We just found your new pick-me-up drink.
