

AGE-DEFYING INTENSIVE REPAIR SERUM™

with Synchronized Peptide Complex™

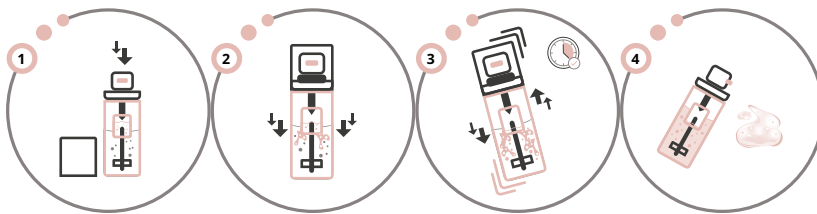

The Age-Defying Intensive Repair Serum can help restore the appearance of healthy and glowing skin.

This unique two-part solution is mixed right before the first use to give you the most effective age-defying skin care treatment. Our Synchronized Peptide Complex has been stabilized through a patented process to deliver unparalleled results. The Age-Defying Intensive Repair Serum™ will help reduce the appearance of fine lines and wrinkles and support skin elasticity. This potent serum locks in moisture to help restore your skin's youthful look.

Prior to first use, simply press the pump firmly to mix the powder and serum and shake lightly to activate. After cleansing, apply a small amount to your face and neck twice daily as part of your daily routine.

First time application:

1. Open lid and firmly press down on the pump to open the valve.

2. The powder will burst down into the bottle. If this does not occur, press the pump firmly a second time.

3. Shake the container lightly 10 to 15 times to activate by combining the powder and serum.

4. Once mixed, apply a small amount to your entire face and neck.

Each box of our Age-Defying Intensive Repair Serum contains two bottles, each with the same formula. Follow the steps above for the first-time application of each bottle.

To order, visit thehappyco.com or contact the HCo Brand Partner that shared this with you.

Directions for use:

1. Mix prior to first use.
2. Apply 1–2 pumps onto clean face and neck twice daily.
3. Follow with Ultimate Revitalizing Cream™.

Precautions for use: Consult with a skincare specialist if you experience any issues including irritation, itching or redness. Do not use directly on wounds. Avoid the eye area. Keep out of reach of children. Store away from direct sunlight.
