

Life to the MAX. Elevate MAX Happy Coffee®

Get ready to dial up the feel good factor to 11!

Elevate MAX Happy Coffee is a delicious 100% Arabica coffee blend with a combination of at least five powerful mood enhancing ingredients and a non-stimulant thermogenic agent, p-synephrine, known to increase the breakdown of fats. It works synergistically with caffeine to improve exercise performance.[†]

Mood elevation

Nootropics known to help support an enhanced mood

Appetite control

Natural extracts famous for suppressing hunger and cravings

Xtreme energy

Natural energizers that help support boost body and brain function

A strong blend of polyphenols such as apple, grape, and mango nootropic benefits extracts, combined with green tea catechin extract are essential to support and regulate immune functions in your body. That's why MAX Happy Coffee also includes polyphenols and other healthful botanical ingredients to support and regulate immune functions.[†]

MAX Happy Coffee tastes as good as any coffee you've ever had. It lasts longer, costs less and it's delivered right to your door!
