

ElevaciTea®

Vanilla Chai

ElevaciTea Vanilla Chai is a weight managing, focus & mood enhancing, nootropic *Happy Tea*.

The perfect hot or cold afternoon pick-me-up, ElevaciTea Vanilla Chai contains a proprietary blend of powerful appetite controlling, mood and focus enhancing ingredients that provide a sense of well-being.*

Bacopa Monnieri Leaf Extract which is a renowned nootropic plant has the ability to improve cognitive function, specifically learning and memory, while Beta-Phenylethylamine (B-PEA) is known to stimulate the release of dopamine & serotonin, our feel-good hormones.*

ElevaciTea Vanilla Chai also contains P-Synephrine which works in synergy with caffeine to help reduce appetite, increase fat metabolism and improve exercise performance.*
